

98% of clients say our services are a good value

overall client satisfaction

100% believe American Health is innovative

98% would recommend American Health

98% say that American Health is easy to work with

“

responsive,
professional and
knowledgeable

They are easy to work with and reliable. They are there when I have questions or issues.

American Health is our number one choice. The employees we deal with are professional and caring.

responsive

accommodating

American Health is superior. They have good technology and systems integration. They are like an extension rather than a vendor. We talk every day.

”

Full-scale customer satisfaction survey commissioned in 2019 to meet URAC requirements. Administered by independent consultant, Saperstein Associates.
